GET YOUR BIG MOWING JOBS DONE FAST  
WHILE YOU ENJOY THE RIDE

The 40 and 50-inch three spindle Rotary Mowers mount between front and rear wheels and are easy to attach, ruggedly built - you drive over the mowers to attach, quickly, without tools. Features a heavy duty reinforced deck, cast iron housing, self-adjusting belt to spindle drive, and three Hi-lift rotary blades.

The 40-inch out front Commercial Rotary Mower makes it easy to reach those tight areas and gives you better visibility while mowing. Features a welded reinforced steel deck, two self-adjusting spindle drives, front caster wheels, and two heavy duty Hi-lift blades.

Mowers have a cutting height from 1 1/2" to 3 1/2". Mow at a speed that fits the job while mower operates at full speed.

Gravely - the one to buy first because it lasts!
