

GRAVELY

Doesn't Give Up

when the

Going Gets Tough

ROLL AWAY SNOW DELAY

Gravelly's 48" Snowplow rolls away snow delay fast. A simple pin adjustment sets unique arc-shaped blade to left, right, or straight ahead. You'll never wear out this blade, even using it for light landscaping in the summer.

SCOOP AWAY SNOW DELAY

Average snows are no challenge for Gravelly's new Utility Scoop . . . clears 35" swath! Scoop has 300-pound capacity, is excellent for moving loose dirt, gravel, and other materials.

Blow Away Snow Delay with GRAVELY 26" SNOWBLOWER

Do away with snow delay! Heavy, successive snows are conquered easily by Gravelly's powerful 26" Snowblower—snow is thrown through an 180° adjustable chute—as far as 30 feet, over the top of the highest drift.

GRAVELY PERFORMANCE FEATURES
